CALENDAR OF EVENTS

March 10 from 2:00pm -3:00 pm: Sunday Genealogy Series @ Old Town Library , Fort Collins, CO. This is a continuing series of our Sunday afternoon classes on genealogy research. This Sunday class will be an on census records with emphasis on the types and examples of available records, where to find the records, and local research facilities in the area. Vice President Kathy Patrick is the instructor.

March 16 from 9:00am- 12:00pm: Harmony Library Computer Lab, Front Range Community College 4616 South Shields Street, Fort Collins, CO Class instructors are librarian Ginny Feagler and genealogist Bob Larson, who will present the FREE three hour workshop with a one hour presentation on several popular online genealogy databases Heritage Quest.com, USGenweb.org, Rootsweb.com, Ancestry.com, & FamilySearch.org. . After a short break, our society volunteers will help the attendees with their family trees with assistance on researching their ancestors using the databases and answering questions during the last two hours.

March 16 from 10:00am - 4:00pm: CGS Annual Spring Seminar @ Denver Public Library The Colorado Genealogical Society is proud to welcome Jeanne Larzalere Bloom, a certified genealogist from Chicago, Illinois, as the speaker at the annual CGS Spring Seminar. Materials and registration fee is \$30. **Jeanne's FREE Friday night program** is "Those Amazing School Yearbooks," at Christ the King Lutheran Church, 2300 S. Patton Court in Denver. For topics and **Registration by March 9 (see icon below)**

March 21 from 6:45pm - 8:30pm: "Triple Topics" @ Old Town Library in Fort Collins, CO is presented by Dr. Ken Goldsberry, Stacey Rehbein and Kathy Patrick

Ken will present using Zabasearch and other websites to locate living people and connect with more cousins than you ever knew you had! Stacey will give us some tips on doing cemetery searches and Kathy will talk about the need to obtain permission to photograph in some cemeteries and provide a resource for learning more about copyright issues.

March 23 from 9:15 am- 12:15pm: Introduction to Genealogy with Pat Johnson, Loveland Public Library, 300 N Adams Ave, Loveland, CO. New to genealogy? Genealogy instructor Pat Johnson will present a FREE three hour class for new and intermediate genealogists. She will discuss how to do research, types of records, where records are located, Internet websites, recording your data, different types of genealogy and info on Larimer County Genealogical Society. Handouts are available. Public is welcome to attend and please bring a friend! **Registration is required.**

April 14 from 2:00pm - 3:00pm: Sunday Genealogy Series on Cemetery Records @ Old Town Library in Fort Collins, CO This is a continuing series of our Sunday afternoon classes on genealogy research. This Sunday class will be an on cemetery records with emphasis on the types and examples of available records, where to find the records, and local research facilities in the area. Instructor Ceil Damschroder will present the one hour class.

April 18 from 6:45pm - 8:30pm: Cheapskate Genealogy: Researching Your Family History Without Breaking the Bank with Carol Stetsor @ Old Town Library in Fort Collins, CO With a tough economy, many family historians find their genealogy budget shrinking. Speaker Carol Stetsor gives tips and tricks for getting the most from every genealogy dollar, whether you're economizing or just because you're a cheapskate! Saving money on subscription databases, books and travel to ancestral locations are just some of the topics covered.
